National Space Conference (NSC) 2025 Sponsorship Opportunities

- **THEME** : Space for Societal Resilience, Transformation and Intelligence
-  20–22 August 2025 |  CSIR ICC, Tshwane

About the Conference

- The National Space Conference (NSC) 2025 is South Africa's premier space sector gathering, hosted by NEOSS in collaboration with SANSA and key stakeholders.
- The NSC 2025, convening under the theme *"Space for Societal Resilience, Transformation and Intelligence"*, will highlight how space science, Earth observation, and digital innovation can drive inclusive development and strengthen national resilience in the face of global challenges.
- As South Africa's space sector platform, NSC 2025 brings together government, academia, industry, and civil society to foster dialogue, showcase innovation, and align efforts toward a future-ready and impactful space ecosystem. For More information, please visit www.spaceconference.co.za
